

SEXUAL VIOLENCE SHOULD NOT EXIST AND NO ONE SHOULD DEAL WITH IT ON THEIR OWN

SV2 is a Derbyshire based service and is here to help anyone who has experienced any form of sexual violence or abuse.

It doesn't matter when it happened, whether you are male or female, young or old. You don't even need to report it to the police. SV2 can also support your family or friends if needed.

WE WILL SUPPORT YOU

- During your forensic medical examination if required
- Through any criminal justice process including support at court
- To access any other services you may need
- By providing counselling or psychotherapy
